National Safety Week & Lineman Diwas Highlights

TPSODL celebrated the **52nd National Safety Week from 4th March to 11th March 2023 and Lineman Diwas with various focused programs and events for employees, Business Associates including their family members and Community**. Also Monthly Safety Drive conducted during March 2023 with various program of 52nd National Safety Week.

The objective of this campaign is to spread awareness on Safety among all the above stakeholders at large and to help organizations to promote Safety, Good Health, and Well-being. In order to move towards achieving a **“Zero-Harm”** status for the organization, this year’s theme for National Safety Week -2023 was **“Our Aim – Zero Harm”**.

“Lineman Diwas,” a day dedicated to embrace the linemen and ground maintenance staff who work tirelessly to ensure uninterrupted power supply. Notwithstanding difficulties, linemen in the power sector kept serving the nation by offering a high degree of reliability. We value their dedication and want to express our gratitude to their families also for supporting them as they perform their duties under arduous circumstances.

On this grand event, we rewarded **Best Performing Linemen** and celebrated the day at all the divisions with full enthusiasm recognizing their outstanding contribution during FY 23. With this token of appreciation for their dedication & hard work, the bonding with our frontline colleagues have further strengthened. Also various safety competition / contest winner are rewarded during 52nd National Safety Week Closing Ceremony.

This year all the BA across PAN TPSODL location observed the 52nd National Safety Week Campaign by following issued guidelines of TPSODL with various focused programs for their employees.

Let us Work Safe and Be Safe Always.
