All this will be achieved by upgrading the present distribution infrastructure, adopting new technologies and provide various digital services to our customers.

ABOUT THE JOINT VENTURE PARTNERS

GRIDCO Ltd.

GRIDCO Ltd. Incorporated under the provisions of Companies Act 1956, carried on the business of transmission and bulk supply of electricity and other related activities under an exclusive license issued by Odisha Electricity Regulatory Commission. Consequent upon enactment of Electricity Act, 2003, the transmission related activities of the Company were transferred and vested with Odisha Power Transmission Corporation Limited, a wholly owned undertaking of the State Government through Odisha Electricity Reforms (Transfer of Transmission and Related Activities) Scheme, 2005 with effect from 09.06.2005. After separation, GRIDCO is presently engaged in business of bulk purchase and bulk sale of power to the four Distribution Companies inside the State and trading of surplus power through traders to promote exchange of power with neighboring States in the country.

Tata Power

Tata Power is India's largest integrated power company with a growing international presence. The Company together with its subsidiaries and jointly controlled entities has an installed gross generation capacity of 15,733 MW in India and abroad with presence in all the segments of power sector, viz Fuel & Logistics, Generation (Thermal, Hydro, Solar and Wind), Transmission, Distribution and Trading.

It has successful public-private partnerships in Generation, Transmission and Distribution in India namely "Tata Power Delhi Distribution Limited" with Delhi Vidyut Board for distribution in North Delhi, 'Powerlinks Transmission Ltd.' with Power Grid Corporation of India Ltd. for evacuation of Power from Tala hydro plant in Bhutan to Delhi and 'Maithon Power Ltd.' with Damodar Valley Corporation for a 1050 MW Mega Power Project at Jharkhand. Tata Power is now serving more than 1.28 Crore distribution consumers in India (Mumbai, Delhi, Ajmer, Central Odisha, Western Odisha, Northern Odisha and Southern Odisha).

MANUAL-11
Budget Allocated to each Agency

[Section-4 (1) (b) (xi)]

The Annual Revenue Requirement was placed before Hon'ble OERC. On receipt of approval of Revenue Requirement and notification of the RST Order for FY 2025-26, the same is being followed strictly. Revenue Requirement Approved by Hon'ble OERC for the FY 2025-2026 as under:

REVENUE REQUIREMENT OF TPSODL FOR THE FY 2025-26

TPSODL		Rs. In Crores	
Expenditure	Approved 2024-25	Proposed 2025-26	Approved 2025-26
Cost of Power Purchase	984.80	1,012.43	961.78
Transmission Cost	118.18	121.49	129.08
SLDC Cost	0.97	0.96	0.78
Total Power Purchase, Transmission & SLDC Cost (A)	1,103.95	1,134.88	1,091.64
Employee Costs	501.36	626.57	546.91
Repair & Maintenance exp.	165.24	214.18	166.15
Administrative & General Expenses	120.54	173.09	128.98
Provision for Bad & Doubtful Debts	20.24	22.52	21.63
Depreciation	67.15	134.65	105.05
Interest on loan including Interest on S.D	82.36	136.76	109.21
Total Operation & Maintenance & other Cost	956.89	1,307.77	1,077.94
Less: Employee cost capitalised	35.90	37.38	37.38
Less: Interest capitalised			
Return on Equity	73.12	110.41	96.90
Tax on ROE	20.11	37.14	24.39
Carrying Cost on Regulatory Asset/ Liability	-	-	-
Total Distribution Cost	1,014.22	1,417.94	1,161.84
Less: Miscellaneous Receipt/Non tariff Income	54.61	62.81	44.92
Net Distribution Cost (B)	959.61	1,355.13	1,116.93
Total Revenue Requirement (A+B)	2,063.56	2,490.01	2,208.57
Expected Revenue (Full year)	2,023.54	2,209.06	2,163.06
GAP (+ Surplus/- Deficit)	(40.02)	(280.95)	(45.51)

MANUAL-12

Manner of Execution of Subsidy Programmes

[Section-4 (1) (b) (xii)]

There is no such direct subsidy being provided by State Govt to the utility. OERC while determining Retail Supply Tariff for each year used to fix the tariff of consumers like Kutirjyoti (BPL etc), Domestic, Irrigation, street Light etc in such a manner that they are being cross subsidized by other category of consumers like General purpose, Large Industry, Mini steel Plant, Power Intensive Industries, Railway Traction etc. However, State Govt. directly as well as in collaboration with Central Govt has implemented following capital investment scheme for Strengthening Transmission & Distribution system which is beneficial to the electrical consumers of the entire state.

The details about Project already implemented/under implementation are as under:

1. CAPEX (Capital Expenditure)

Objectives of CAPEX Project was to improve Distribution Network System, Improvement in Reliability of Power Supply and Reduction of Loss. TPSODL (Erstwhile Southco utility) was the Project Implementing Agency.

The scheme has been closed.

2. DESI (Development Program for Energy System Improvement)

Objectives of DESI Project is to cater the load growth of newly charged RGGVY Consumers and for improvement of Distribution System in RGGVY areas upgrading the wire as well as transformers and putting additional lines and transformers. TPSODL/ Concerned District Administration was the Project Implementing Agency. The scheme has been closed.

3. RLTA (Revised Long Term Action Plan)

RLTA Project was a Special Plan for KBK Districts for Installing 33/11 KV S/s. for Power Supply to most difficult areas where- No other 33/11 KV S/s is existed, Low Load Demand, Hilly Areas and Tribal Pockets is existed. Scope under the project is for up gradation of Existing 33/11 KV Transformers, up gradation of conductor of Feeders for better quality Power Supply to Rural & Tribal Pockets, Power Supply will be transmitted through EHT towers (220 or 132 KV) on 33 or 11 KV for areas

cut off due to Large Reservoirs. TPSODL/ Concerned District Administration was the Project Implementing Agency.

The scheme has been closed.

4. DHH (District Head Quarter Hospital)

Objectives of DHH Project is to improve the Distribution System for Reliable and Quality Power Supply to District Head Quarters Hospitals. Project includes Construction of 33 or 11 KV dedicated Line from 33 / 11 KV S/s. to DHH and Installation of new 33/0.4 KV or 11kv S/s.

5. RGGVY (Rajeev Gandhi Gramin Vidyutikaran Yojana)

Objectives of RGGVY Project is to provide access to electricity to all rural households (Population > 100) and all BPL households in all rural habitations in the villages should be covered for electrification under the project as per the KutirJyoti norms. Apart from the universal obligation to provide Electricity to all consumers on demand, the project shall provide for electric connection to un- electrified public places like schools, panchayat office, community/ govt. health centres / dispensaries etc. The project has provision of 33/11 KV sub-stations of adequate capacity and lines in blocks where these do not exist. The project shall have provisions for setting-up of at least one Distribution transformer (DT) in the village where these do not exist. As per the agreement, Discom to ensure the management of rural Distribution through franchisee who could be Non- Governmental Organisations (NGOs), Users Association, Cooperatives or individual entrepreneurs, the Panchayat institutions would be associated. NTPC, NHPC & PGCIL are the Project Implementing Agency.

The scheme has been closed.

6. BGJY (Biju Grama Jyoti Yojana)

Objectives of BGJY Project is for Electrification of Villages / habitations which were not covered under the RGGVY. All habitations having population of less than 100 included for implementation under BGJY Scheme. The Concerned District Administration is the Project Implementing Agency. For BGJY 2021-22 Onwards TPSODL is the Project Implementing Agency.

7. BSVY (Biju Saharanchala Vidyutikaran Yojana) / OSBY (Odisha Saharanchala Bidyutikaran Yojana)

Objectives of BSVY project is to provide Electricity on the pattern of Kutir Jyoti within a cost of ₹ 3000/- only per household to BPL families. This is state plan scheme. The Concerned District Administration is the Project Implementing Agency.

8. Strengthening of Lines of Elephant Corridor

Objective is to strengthen the infrastructure of DISCOM to avoid electrocution of Elephants and to focus on Elephant corridor areas. TPSODL is the Project Implementing Agency.

9. ODISHA DISTRIBUTION SYSTEM STRENGTHENING PROJECT (ODSSP-I, II, III)

- The Odisha Distribution System Strengthening Project (ODSSP) previously known as Infrastructure Development and Capacity Building on Electrification Work & Preparation of Road Map was introduced for strengthening of Distribution system, reduction of T&D loss & AT & C loss and to give quality power supply to the consumers by construction of 33/11 kv sub stations and control of 33 kv/11 kv line.
- Due to poor financial condition of the Discoms, it was decided by Govt of Odisha to fund this project.
- In this project additional 97 Nos. of 33/11KV Primary Sub-station are to be installed under 08 nos of District under TPSODL (erstwhile SOUTHCO Utility) area. OPTCL is the Project Implementing Agency.

10. DEENDAYAL UPADHYAYA GRAM JYOTI YOJANA SCHEME (DDUGJY)

Govt. of India has launched Deendayal Upadhyaya Gram Jyoti Yojana (DDUGJY) for the rural areas. The project cost is Rs.1003.92 Crore and duration of work complete on 2019. The existing programme of cover the RGGVY-12th project as approved by CCEA (Cabinet Committee on Economic Affairs) dated 01.08.2013 for completion of the targets laid down under RGGVY for 12th and 13th Plans by subsuming RGGVY in DDUGJY and carrying forward the approved outlay for

RGGVY to DDUGJY; Apart from that all left over UE/PE village/habitation electrification work shall be proposed

-12th plan project work is submerged under the broad scope of DDUGJY. The following components:

- (i) Separation of agriculture and non-agriculture feeders facilitating judicious restoring of supply to agricultural & non- agricultural consumers in the rural areas;
- (ii) Strengthening and augmentation of sub-transmission & distribution (ST&D) infrastructure in rural areas, including metering at distribution transformers, feeders and consumers end.

PGCIL/ NTPC/ NHPC was the Project Implementing Agency.

DDUGJY(New) under the scheme infrastructure development works and household electrification are being carried. The Project cost is Rs. 395.08 Cr. and OPTCL was the PIA.

The scheme has been closed.

11. DDG SCHEME (DECENTRALISED DISTRIBUTED GENERATION):-

The villages which are not electrified through conventional method are to be electrified under this scheme through Solar Energy. OREDA was the executing agency for electrification of this village.

The scheme has been closed.

12. INTEGRATED POWER DEVELOPMENT SCHEME (IPDS)

Govt. of India has launched Integrated Power Development Scheme (IPDS) for the Urban local areas. The following components:

- (i) Strengthening of Sub-transmission and Distribution network in urban areas.
- (ii) Metering of distribution transformers/ feeders/ consumers in urban area and,
- (iii) Rooftop Solar Project, installation of solar panels and smart/net meters as a mandatory component under IPDS.

Continuing IT enablement of distribution sector and distribution network strengthening as per the norms of the ongoing scheme of RAPDRP by subsuming the same in IPDS. OPTCL was the Project Implementing Agency.

The scheme has been closed.

13. Odisha Dedicated Agriculture and Fisheries Feeder Project (ODAFFF)

Under the scheme for black water agriculture wherein dedicated HT feeder with distribution substations constructed under the State Govt. Scheme. OPTCL is the Project Implementing Agency.

14. Shifting of lines and substations from Schools and Anganwadi Kendras.

Govt. of Odisha launched this scheme wherein existing lines and substations inside schools and Anganwadi Kendras are shifted to outside the premises. TPSODL is the Project Implementing Agency.

15. Socio Economic Transformation and Upliftment Scheme (SETU)

Under the scheme, infrastructure development and electrification of Un-electrified Households is carried out in swaviman anchala of Malkangiri district of Odisha. TPSODL is the Project Implementing Agency.

16. Soubhagya Scheme:

While inching towards achieving 100% village electrification, Scheme also focused in achieving electrification of all un-electrified households in the country. TPSODL (Erstwhile Southco Utility) was the Project Implementing Agency.

The scheme has been closed.

17. ODSSP PHASE-IV

- The Odisha Distribution System Strengthening Project Phase-I,II & III (ODSSP-I,II,III) was introduced for strengthening of Distribution system, reduction of T&D loss & AT & C loss and to provide quality power supply to the consumers by construction of 33/11 KV sub stations.
- In this project additional 25 Nos. of 33/11KV Primary Sub-station are to be installed in 08 nos of District under TPSODL (erstwhile SOUTHCO Utility) area along with that 17 Nos. of Independent 33KV Line to be constructed for reliability of power supply.
- The Project cost is 468.91 Cr. and TPSODL is the Project Implementing Agency.

18. SPECIAL ASSISTANCE TO STATES FOR CAPITAL EXPENDITURE (SACI)

- Objectives of SACI scheme is to improve the Distribution Network System, Improvement in Reliability of Power Supply and Reduction of Loss in Gajapati,

Kandhamala, Rayagada, Koraput, Nabarangpur and Malkangiri District under TPSODL. The Project cost is Rs. 200 Cr. & TPSODL is the Project Implementing Agency.

19. IEC ACTIVITIES:

- Under this scheme, the objective is to create public awareness through social messages for adoption of Electrical Safety and Energy conservation measures. TPSODL is the Project Implementing Agency.

20. CHIEF MINISTER POWER DEVELOPMENT PROJECT (CMPDP/ ODSSP-V) / MMSBJ (Mukhya Mantri Shakti Bikash Jojana)

- The Odisha Distribution System Strengthening Project Phase-I, II & III and ODSSP-IV was introduced for strengthening of Distribution system, reduction of T&D loss & AT & C loss and to provide quality power supply to the consumers constructing 33/11 KV sub stations.
- Accordingly, ODSSP Ph-V/ CMPDP has been formulated to take up further system improvement works such as up-gradation of Distribution Transformers, replacement of old damaged Conductors, strengthening of existing 33KV & 11KV lines, construction of new 33KV & 11KV lines, conversion of single-phase LT network to 3 Phase, installation of line voltage regulator transformers along with construction of new PSSs in needy areas.
- The Project cost is 326.48 Cr. and TPSODL is the Project Implementing Agency.

21. STATE DISASTER MITIGATION FUND (SDMF)

- The objective of the scheme is for execution of Disaster Mitigation Projects out of SDMF towards Cyclone (Structural Activities), Flood (Structural Activities) and Non-Structural Activities.
- The Project cost is 46.171 Cr. and TPSODL is the Project Implementing Agency

22. PRADHAN MANTRI - ANUSUCHIT JAATI ABHYUDAY YOJANA (PM-AJAY)

The Pradhan Mantri Anusuchit Jaati Abhyuday Yojana (PM-AJAY) is a government initiative aimed at uplifting Scheduled Caste (SC) communities in India. Launched in 2021-22, it merges three existing schemes to promote employment, education, and infrastructure in SC-majority villages, targeting comprehensive development

for around 6 lakh beneficiaries. The scheme focuses on increasing income through livelihood projects, improving socio-economic indicators, and enhancing literacy rates among SC populations, the project shall provide for electric connection un-electrified SC communities.

23. PRADHAN MANTRI JANJATIYA UNNAT GRAM ABHIYAN (PMJUGA)

The Pradhan Mantri Janjatiya Unnat Gram Abhiyan envisions the comprehensive development of tribal areas and communities by addressing critical gaps in infrastructure, healthcare, education, and livelihoods. Through a coordinated approach and convergence of various Government of India schemes, the mission aims to ensure holistic, sustainable, and inclusive growth, empowering tribal communities to thrive and flourish in a SATURATION Mode.

MANUAL-13

Particulars of Recipients of Concessions, Permits or Authorizations Granted

[Section-4 (1) (b) (xiii)]

No concession, permits, or authorization are granted on behalf of TPSODL to any beneficiary, except as per tariff order issued by OERC.

MANUAL-14

Information Available in an Electronic Form

[Section-4 (1) (b) (xiv)]

Please log on to our website www.tpsouthernodisha.com for details such as new connection, payment option, customer portal, reported theft, tenders, news & events etc.
